

K'IIN TULUM

LUXURY SUITES

— THE ORIGIN

Bringing the best of two worlds

This is what we had in mind when we created K'IIN TULUM, the suites were designed to offer the feeling of living comfortably and functionally and at the same time enjoy the bohemian and mystical city of Tulum.

K'IIN means "One day" in Mayan and hence the idea of enjoying it for living, vacationing, exploring, resting or just being. In other words, everything we would do on a daily basis.

LOCATION

— THE HEART OF TULUM

Street 11 sur, block 5 lots 17 and 18

Between Guardianes Mayas Avenue and, C.8 South, Region 15, 77780 Tulum, Q.R.

K'IIN TULUM is in a developing residential area nestled between Tulum Downtown, Aldea Zama, La Veleta and the beach, making it ideal for living or rental properties.

The neighborhood is full of luxury condo-hotels, apartments, villas, restaurants and stores that make the area practical and fun.
